7	Brief report of the event A Blood donation camp was organized by our NSS unit, in collaboration with Indian Red Cross Society, Yenepoya deemed to be University, through which more than 35 units of blood was donated by both students and the staff members of our Yenepoya Ayurveda Medical College and Hospital, gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS and Red Cross volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.
