responses

Nil

No

NIL

Requesting the organizers to organize such workshop highlighting more inputs on AYUSH related proposals and once the AYUSH guidelines gets updated, a round of sensitization on those particular topic would be beneficial.

well organized

Thank you for organizing this.

Good one

Expecting more such informative sessions in future

Very informative

The future workshops in the college can be conducted in two batches on days when the doctor does not have OPD duty or classes. This will allow them to attend the workshop without interruptions. Otherwise, they may have to leave frequently for patient consultations or classes, sometimes even missing the attendance sign-in. Alternatively, doctors can be given a choice a few days before the workshop to select their preferred day.

i came to know lot of things

Well organized

Nil
