4	Organizing committee members	Dr Asha Maradka - Organizing Chairman Dr Anju C - Organizing Secretary Dr Srilakshmi G V - Organizing Member
5	Name / s of the resource person, designation and affiliation	Dr Srilakshmi G V, Assistant professor, Department of Dravyaguna Vignana
6	Event schedule (<i>enclose brochure if available</i>)	27-06-2025 Morarji Desai Residential School, Ujrupade Post, Balnadu, Puttur.
7	Brief report of the event: To promote awareness about the importance of medicinal plants and to encourage sustainable practices among the younger generation, a School Herbal Garden Project was conducted at Morarji Desai Residential School, Ujrupade Post, Balnadu, Puttur. The initiative was aimed at educating high school students on the significance of herbal plants in daily life and supporting the establishment of herbal gardens within school premises. An informative and interactive talk delivered by Dr Srilakshmi G V, highlighting the uses, identification, and benefits of common medicinal plants such as Tulsi, Brahmi, Aloe vera, Lemongrass, Neem etc. Students were introduced to the concept of traditional herbal healing systems and how these plants contribute to health, immunity, and sustainable living. Emphasis was placed on the need to preserve indigenous plant knowledge and integrate it into everyday life.	
8	Outcome of the event	Students gained practical knowledge about medicinal plants and their importance in health and wellness. Schools were equipped to start or enhance their own herbal gardens, serving as living laboratories for experiential learning. The event fostered a sense of responsibility
